

LANGUAGE TESTING AFFIRMATION

I hereby affirm that I have read Mission Essential Personnel's (MEP) Interpretation Language Testing Guide, and I understand that I will be taking interpretation test(s) over the phone, and face-to-face at MEP's Pre-Deployment Processing Center (PDPC) for Pashto assignments. Furthermore, I understand that MEP has strict quality control measures in place that detects cheating in any manner. If MEP detects cheating of any kind, in any part of my testing, I will be permanently disqualified from working with MEP and its subcontractors on MEP contracts and will be responsible for my own transportation from the PDPC or other location away from my home of record while processing for an MEP contract.
